1) Opinion has been asked for in the matter of seconding Mr. B. S. Narayanaswamy, (who is holding the rank and status of a temporary Sub Engineer in the - - Bangalore City Municipality) as Sub Engineer in the Public Works Department cadre, as prayed for by him. The grounds urged in support of the proposal are:-

(a) that the services of all Engineer Officers and subordinates in the Bangalore City Municipality are seconded in the Public Works Department, in accordance with the Government Order in this behalf and that Mr. Narayanaswamy is an exception, as he has no lien in the

Public Works Department, or in other Government Departments

19) (b) that Mr. Narayanaswamy was in service for about 18 months, as Surveyor before he proceeded on long leave, for Foreign studies.

13) 2. Mr. B. S. Narayanaswamy, was appointed as a Licensing Officer in the Bangalore City Municipality on Rs 100-10-150, during January 1935. The post of the Licensing Officer on Rs 100-10-150 was created in G. O. No. L.47-50/M1.157-32-7 dated 2-7-1934, against an existing vacancy of an Overseer. Subsequently in August 1934, the permanent cadre of the Public Works Department was raised, so as to provide two Overseers for the Bangalore City Municipality and Improvement works. Against one of these posts Mr. Kawtwale was appointed as Overseer in Public Works Department and transferred to the Bangalore City Municipality. Against the other post Mr. B. S. Narayanaswamy was appointed as Licensing Officer in the newly created post The post of the Licensing Officer had come into existence prior to the issue of Government Order amalgamating the Municipal Subordinates with the Public Works Department cadre The appointment of Mr. Narayanaswami was treated as out-side the cadre of Public Works Department, agreeably to letter No. L. 1091/M1.157-32 dated 6th August 1935 from the Chief Secretary to Government He is seen to have been given the rank and status of a Sub Engineer in the Municipality in February 1938 As Mr Narayanaswamy was recruited directly

as Licensing Officer in the Municipality he has to look forward for his prospects in the Municipality, instead of in the Public Works Department. The proposal to second him in the Public Works Department as Sub Engineer, would hardly be right and will create much discontent among his seniors in the Public Works Department and cannot be therefore, be agreed to.

3. (14) In case it is the intention of Government that he should be given lien in the Public Works Department, as in the case of other Municipal Engineering subordinates there is no objection to treat him as seconded in the Overseers' cadre of the Public Works Department, as men with similar qualifications (i.e., Messers. Vittala Murthi and K. V. Rao) have been appointed as Overseers only in the Public Works Department. His rank will be fixed in Overseers cadre of the Public Works Department with reference to date of his entry into service, as is usual in such cases. He may continue to hold the rank of a temporary Sub Engineer in the Municipality, without prejudice to the claims of his seniors in the Public Works Department. But when he reverts to Public Works Department, he should take his normal rank and status, as it stands from time to time in Public Works Department.

4. (15) He was only a temporary Surveyor, in Public Works Department, before he proceeded for Foreign studies. He is seen to have been granted combined leave for 2 years from 6th August 1931 (vide entries in his service register), and after the expiry of long leave he did not join duty in Public Works Department, and has thus lost the lien on the - - temporary appointment of a Surveyor in the Public
